Afternoon gentlemen. I understand the Answer has been filed. The Board requests that you jointly present a schedule which would preferably have this matter ready for Formal Hearing by Fall, if you agree this is possible. In lieu of having a conference call, I defer to you to jointly agree on a schedule. If you prefer a conference call please let Lynn know and she will schedule. I would like to receive the schedule by Feb. 13 however, if this is not practical for either or both of you please let me know. The schedule can be modeled after the Civil Division's template form under Rule 16.2, including/excluding discovery, motion deadlines, etc. either or both of you feel might or might not be necessary. Thank you,

Andrew H. Maass, Esq., Chair
Vermont Judicial Conduct Board
