PRB File No. 2019-089

ORDER

Respondent's May 4, 2021 request to enlarge the discovery completion deadline to allow for deposition of Dr. Gunther is GRANTED; provided, however, that Respondent shall complete the deposition of Dr. Gunther no later than the end of June 2021.

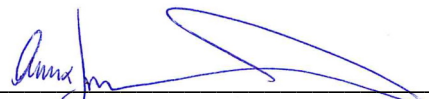

The Hearing Panel will now proceed to schedule this matter for two (2) days of remote hearing (by videoconferencing) on the merits of the charges. To that end, the parties are hereby ORDERED to **jointly** submit, within 5 business days of this Order, a list of (3) groupings of days (limited to Mondays, Tuesdays, and Fridays of each week) between July 26, 2021 and August 27, 2021 when the parties, their counsel, and witnesses are available to commence and complete the remote merits hearing. Although two consecutive full days of hearing (consisting of a Monday and Tuesday) are desirable, the days in a grouping need not be consecutive or consist of full days. The parties may express a preference for certain hearing dates. Upon review of the parties' proposed dates, the Panel will issue a notice of hearing.

The parties are advised that the scheduling of this hearing must take priority over other matters due to the extended length of time that this matter has been pending and the public interest in resolving the charges promptly. Accordingly the parties are advised that if they are unable to reach agreement on available dates for the hearing, the Panel will proceed to schedule the merits hearing to commence and continue over multiple dates during the specified period until completion.

Dated: May 17, 2021.
