Mentorship Program List and Certification of Attending Approved Activities

Upon admission to the Bar of the Vermont Supreme Court, applicants admitted by examination or transferred UBE score have one year to certify completion of the Mentorship requirement set out in Rule 12(A)(2) of the Rules of Admission. The requirement includes engaging in at least 40 hours of activities compiled by the Board of Continuing Legal Education and certified by the Board of Bar Examiners.

The activities on this list are the only activities that have been compiled and approved as satisfying the requirements of Rule 12(A)(2).

The approved activities are broken into 4 categories. They are:

- I. Bar Functions
- II. Litigation Related Activities
- III. Transactional Law Related Activities
- IV. Access to Justice

The maximum number of hours an attorney may claim for each category:

- | | |
|---|-----------------------|
| I. Bar Functions | No more than 10 hours |
| II. Litigation Related Activities | No more than 20 hours |
| III. Transactional Law Related Activities | No more than 20 hours |
| IV. Access to Justice | No more than 10 hours |

The category "Litigation Related Activities" includes various sub-categories. Other than the 20-hour limit on Litigation Related Activities, there is no maximum (or minimum) for any one of the sub-categories. Please note that you cannot use the CLEs taken to satisfy the first-year CLE requirement towards the mentorship requirement.

Please enter the hours and date you engaged in the particular activity. The requirement is "actual hours" spent on an activity.
