## INVENTORY

## INSTRUCTIONS: (PLEASE READ CAREFULLY)

List all real and personal estate. Give the fair market value as of the decedent's date of death for decedent estates and as of date of fiduciary's appointment for all other cases. If you use an appraiser, the name and address of each appraiser and the items appraised must be attached to this inventory. Real estate descriptions must include type of deed, grantor(s) and Grantee(s), date of execution, Book and Page numbers and Town where recorded. Bank accounts should be identified by name of bank, type of account, and last 4 digits of the account number, with total balance in account. Other investment accounts should be similarly identified.
Any liens should be identified by name of lien-holder and approximate amount owed, within the property description. The inventory must be signed. File the original and a certificate of service with the court. In addition, copies must be supplied to all interested persons.
