Closure Report of the Vermont Judicial Conduct Board

Re: Docket No. 12.011

This Complaint is the result of various criminal cases against Complainant dating back to the early 1980's. There is no judge named and there doesn't appear to be any ethical complaint made. Complainant alleges the charges against him were "trumped up." This raises a legal issue not an ethical one, and in any event the claims are time barred.

The Judicial Conduct Board conducted an initial inquiry and determined the Complaint is unfounded and there is no cause for further proceedings. To the extent the Complaint alleges ethical impropriety or a violation of the Code of Judicial Conduct, the Board has determined that the Complaint is unfounded and there is no cause for further proceedings. *Rules of the Supreme Court for the Disciplinary Control of Judges*, Rule 7(1).

The Complaint in Docket No. 12.011 is DISMISSED.
