## Closure Report of the Vermont Judicial Conduct Board

Re: Docket No. 12.017

This Complaint alleges a "general consensus of inmates" who apparently have been in front of the same judge in multiple cases over an unknown period of time. The complaint mirrors multiple other complaints received by the Judicial Conduct Board which are identical or virtually so in wording and the non-specificity of the allegations. The Complainant also asks for determinations of legal issues. The Board has determined that the complaint, to the extent that it alleges ethical impropriety or a violation of the Code of Judicial Conduct, is unfounded. There is no cause for further proceedings. *Rules of the Supreme Court for the Disciplinary Control of Judges*, Rule 7(1).

The Complaint in Docket No. 12.017 is DISMISSED.
