**Closure Report of the Vermont Judicial Conduct Board**

Re: Docket No. 13.037

This Complaint is the result of nonspecific allegations which failed to identify the unethical conduct. Complainant apparently was dissatisfied with his Conditions of Release and felt that there was insufficient evidence to show that those conditions were violated. Complainant was also unhappy with the public defender assigned to represent him.

The Judicial Conduct Board conducted an initial inquiry. To the extent the Complaint alleges ethical impropriety or a violation of the Code of Judicial Conduct, the Board has determined that the Complaint is unfounded and there is no cause for further proceedings. *Rules of the Supreme Court for the Disciplinary Control of Judges*, Rule 11.

The Complaint in Docket No. 13.037 is DISMISSED.
