## Closure Report of the Vermont Judicial Conduct Board

Re: Docket No. 15.018

This Complaint is extremely hard to read and decipher, Complainant's "memo" is addressed to "State/Federal Courts, ... En Banc, DOJ's, DMV's, Govs, PDs, Congress, Appellate, et al." As best we can understand it, Complainant feels that his license was "illegally withdrawn." Although we are not certain if this is his complaint, the Board sent a letter to Complainant strongly encouraging him to use his best effort to print any correspondence to us neatly or to use a typewriter or a computer since there are many sections we simply cannot read.

Complainant was given thirty days to supplement the filing with some specific allegations and although Complainant did send a supplemental filing, this also failed to identify the unethical conduct of any specific Judge.

The Judicial Conduct Board conducted an initial inquiry. To the extent the Complaint alleges ethical impropriety or a violation of the Code of Judicial Conduct, the Board has determined that the Complaint is unfounded and there is no cause for further proceedings. *Rules of the Supreme Court for the Disciplinary Control of Judges*, Rule 11.

The Complaint in Docket No. 15.018 is DISMISSED.
