## Closure Report of the Vermont Judicial Conduct Board

Re: Docket No. 16.034

This Complaint is the result of non specific allegations which failed to identify the unethical conduct or any specific Judge. The focus of the Complaint was that Complainant feels that a court clerk is neglecting him and asks this Board to intercede in his behalf. The Rules of the Judicial Conduct Board were again explained to Complainant, who has been provided with explanations of our procedures and authority multiple times in the past. Complainant was given thirty days to supplement the filing with some specific allegations but failed to do so.

The Judicial Conduct Board conducted an initial inquiry. To the extent the Complaint alleges ethical impropriety or a violation of the Code of Judicial Conduct, the Board has determined that the Complaint is unfounded and there is no cause for further proceedings. *Rules of the Supreme Court for the Disciplinary Control of Judges*, Rule 11.

The Complaint in Docket No. 16.034 is DISMISSED.
