In the above-entitled cause, the Clerk will enter:

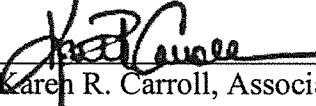

On September 6, 2019, the Judicial Conduct Board imposed a public reprimand on respondent. Respondent did not appeal from this decision and this Court did not order review on its own motion. The JCB's decision has therefore become final and it has the same force and effect as an order of this Court. See Rules for Disciplinary Control of Judges, Rule 10(3). This case is therefore closed.
