The Court Administrator approved this policy pursuant to Administrative Order 46 § 2. This policy applies to all media registered under that Administrative Order. A “device” means anything “that can record or transmit or receive transmissions of data, images, or sounds, or can access the internet.” V.R.C.P. 79.2(b)(4), V.R.A.P. 35(b)(5).

Courthouse Name: Percival Shangraw Courthouse

Courthouse Address: 17 Church Street, St. Albans, VT 05478

Courtroom Name/Number: Courtroom 4 - Civil

Authorized number/types of devices: One Video Camera and one operator. If more are desired, then they must pool. There is no limit on “still” cameras so long as no photos are taken of the jurors.

Location of device and operators: *The Operator and device must be located on the left-hand side of the room as you face the court bench for non-jury trials. If Jury trial, then video is at back of Courtroom outside the Bar.*

Audio: Audio is not available in the State System. Operators will need to use their own. One device may be placed on the podium and/or witness stand. Pooling is required.

All Operators Must Comply with the Following:

- No person may use a device to communicate orally.
- No device may be operated in a manner that makes a distracting sound.
- Bench conferences, conferences between co-counsel, and activity during a recess may be recorded or transmitted visually, but not orally.
- Proceedings in chambers may be recorded or transmitted only by permission of the judge.
- Conferences between counsel and client may be recorded with visual still images, but not recorded or transmitted orally or with video.
- Activities of the jury and images of jurors or prospective jurors may not be recorded or transmitted. The court may permit visual recording of trial participants that necessarily includes the seated jury on terms that protect the jurors’ identity.
- Any required pooling arrangements are the media’s sole responsibility without court mediation.
- No artificial lighting equipment is allowed.
- Unless specifically authorized in the policy, no equipment operator may move from the area specifically assigned to that operator. No operator may move about to attract attention to the operator.
- Except for hand-held devices, equipment must be placed in or removed from the courtroom prior to commencement or after adjournment of proceedings.
- Audio pickup is from existing audio systems. If there is no technically suitable audio system, any necessary wiring or microphones must be unobtrusive (including removing microphone ID flags of microphones places inside the bar) and located in places designated above.
