Starting July 31, 2023, any digital multimedia exhibits filed in the Addison and Windsor Criminal courts must be filed via the Vermont Digital Evidence Portal (VDEP). VDEP is a new online platform that will allow attorneys and case parties to electronically submit and share digital multimedia (audio & video) files for use as exhibits in trials and other evidentiary hearings. This platform is being piloted in the Addison and Windsor Criminal courts and will be expanded to other courts later this year. Please visit [Vermont Digital Evidence Portal | Vermont Judiciary](#) for more information about how to use VDEP including a user guide and video of our training for attorneys and litigants. Any technical questions can be directed to jud.helpdesk@vermont.gov.
