Hi Gary, the Court's order laid out a process for dealing with the discovery dispute. I had five days business days (or a week) to reframe questions. Watts has five business days to respond, and then we have five days to meet about them – that's three weeks total.

Navah,

When we spoke via phone last week you had indicated that there is now a 3 week delay in Watts' 'resolve of discovery' issue. I saw that the PRB gave Watts 7 days to respond, but I'm curious as to what the additional two weeks of delay is for?

Sincerely,

Gary Alibozek

Navah-

I read that you're requesting emails from Watts. We still have many emails that we didn't give to you yet. I was wondering if you needed specific items, we could produce them.

Sincerely,

Gary Alibozek
