RESPONDENT'S MOTION TO EXTEND TIME

The Respondent moves the Panel for additional time to respond to Disciplinary Counsel's voluminous memorandum with exhibits concerning sanctions in this matter. The Respondent's response is currently due on October 29, 2021.

The Respondent's paralegal who is assisting him is away until November 1, 2021; hence a few more days with the paralegal's assistance after she has returned will enable completion and filing of the response.

Based on the foregoing, the Respondent requests an extension of time to file his response – until November 8, 2021.

Dated: October 27, 2021.

Respectfully Submitted,
