PBR File No. 2019-083 & 2019-088

Hearing Panel 10

DECISION NO. 233

REQUEST FOR STAY

The Respondent respectfully requests a short stay of the suspension's effective date to the close of business on Friday May 15, 2020 in order to complete filings that involve two mediation reports to the Court in Foreclosure Mediation files; Report of Fiduciary in Probate matters and to complete two real estate matters that are in the middle of closing (ie C.D.'s prepared and money transferred for payments.) Also a Will and Deed of Trust that need to be notarized and recorded this week.

The Respondent will then notify the courts where cases are pending and file appropriate motions to withdraw once he has had the time to notify his clients. All these matters were scheduled prior to my receipt of the Decision on Monday May 11, 2020.

The additional time spent this week completing matters of immediate concern to my clients and wrapping up these matters will be much appreciated during these difficult times. Otherwise my clients will be prejudiced, confused and greatly inconvenienced.

Dated at Springfield, Vermont this 12th day of May 2020.
