PRB Files No. 2019-083 and 2019-088**

ORDER

In August, Disciplinary Counsel and the Respondent filed a *Jointly Proposed Scheduling Order*. On September 26, 2019, the panel Chair approved the Order.

In paragraph 10 of the Order, the parties agreed that, by November 8, they would “jointly file a consolidated list of all exhibits the parties anticipate offering into evidence at the merits hearing and indicating whether the parties will stipulation {sic} to the admission of any exhibit.”

On November 8, Disciplinary Counsel filed an exhibit list. It does not indicate whether the parties have stipulated to the admission of any of Disciplinary Counsel’s anticipated exhibits. Rather, it indicates that “[e]fforts to discuss exhibits were made but were not completed” by the deadline upon which the parties had previously agreed. Disciplinary Counsel indicated that the parties would work to file a consolidated list as soon as possible.

On November 19, the Respondent filed an exhibit list. It does not indicate whether the parties have stipulated to the admission of any of Respondent’s anticipated exhibits.

It is hereby ordered that the parties comply with their jointly proposed scheduling order and notify the panel, in writing, whether they have stipulated to the admission of any exhibits. The parties shall do so no later than December 2, 2019.
