Motion To Extend Memorandum of Law and Findings

NOW COMES the Respondent, Richard K. Bowen, Esq., and requests an extension of an additional thirty (30) days to file the Memorandum of Law and Findings. The original due date is February 10, 2020 and I would like to extend to March 10, 2020. The basis for the requested additional thirty (30) days are trips to Texas in connection with depositions, trial preparation and matters relating to Werner Karl Hegemann v. M&M American, Inc., Docket No. 2:18-CV-D-BR filed in the United States District Court for the Northern District of Texas Amarillo Division along with a preparation of a Brief on an Appeal filed in the Vermont Supreme Court.

Thank you for this consideration. I have called Attorney Katz to discuss this request but have not heard back from her by the time of this filing.
