Merrick,

We have reviewed the Supreme Court's opinion and order. The parties are discussing next steps and whether a resolution may still be possible in light of the decision. We would propose to be in touch with the Board by May 31, 2024 with a schedule to move the matter forward or a report on a proposed resolution. Please let us know if that is acceptable or if the Board would prefer a different plan moving forward.

Many thanks,
Hannah
