Introduction to the Public Portal

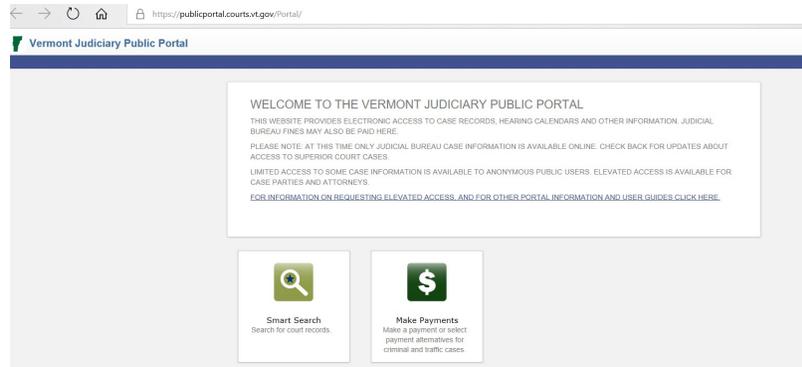

The Public Portal is a web-based platform that offers court users and members of the general public customized role-based access to court records, hearing calendars and other data. The Portal also provides a convenient way to pay court fines online from anywhere on any compatible device.

Anonymous public users may access limited types of case information. No registration is required for this level of access.

Attorneys, self-represented litigants and others who are entitled to elevated access to particular cases in which they are involved must register as Portal users and submit a request for that access. This is a one time process for each Portal user which provides ongoing elevated access for all subsequent cases in which the person is involved. Detailed instructions are contained in this User Guide.

Section 1: Accessing the Portal

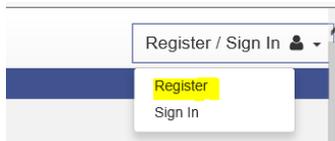

1. To access the Portal, click this link: <https://publicportal.courts.vt.gov/Portal/>
This link can also be accessed from the Court's website at www.vermontjudiciary.org and may be bookmarked on your computer or device.
2. The Portal home page will display, as shown below:

Section 2: Portal Registration

Portal registration is required for access to some types of case data. Elevated access to particular cases is generally granted to case parties, attorneys and others entitled to that access.

- *Some Civil Division and Judicial Bureau case information may be viewed by anonymous public users without any registration or sign in. However, full access to all data and document images may require registration and approval of elevated access.*
 - *Criminal, Family and Probate case information is not available remotely to anonymous public users. Remote access is granted only to registered Portal users who request and are entitled to that access.*
 - *Access to Criminal, Family and Probate cases is available to the public at courthouse public access terminals.*
1. To register, click the “Register/Sign In” link in the upper right corner of the Portal home screen and select “Register”.

2. The Registration Form screen will open. Complete all required fields (mobile phone & SMS info is optional and may be used for future enhancements) and security verifications.

Note: For non-attorneys who intend to request elevated case access, the email address used in this registration must match one on file for you with the court. If you did not specify your email address on an official document filed with the court (eServices Request Form or Notice of Appearance – both available at courthouses and at www.vermontjudiciary.org), you will need to do so before elevated access can be granted.

- IMPORTANT: You will need to go to your email inbox, open the verification email and click on that link to activate your registration. Your account will NOT work until you have done so.**
- After clicking the link, Portal will open again. Select "Sign In" from the upper right corner, and sign in using your username (email address) and new password.

At this point, your registration is complete but you still have only the default level of access that is the same as an anonymous public user. In order to request elevated access based on your role in a case, follow the steps in the next section.

Section 3: Requesting Elevated Case Access

If you are a party or counsel of record in a case, you are generally entitled to access records and documents for that case through Portal, with some limited exceptions*. To do so, you will need to request elevated access. This is a one-time procedure which will link your Portal account to your party record in Odyssey and will give you access to all current and future cases in which you are involved. You do NOT need to submit separate requests for every case.

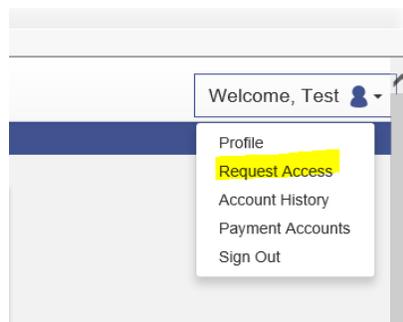

In general, case parties may request elevated case access regardless of whether they are self-represented or represented by an attorney.

**one exception is that non-attorney parties in Juvenile cases may not access cases remotely, but must appear at a courthouse and file a request to view case records.*

IMPORTANT: For case parties and GALs to be granted elevated access requires first filing an eServices Request Form or a Notice of Pro Se Appearance into your case – see further instructions below.

How to Request Access:

1. Log in to the Portal with your username (email address) and password.
2. From the dropdown menu in the upper right corner, select “Request Access”.

3. The “Request Access” box opens up. From the drop down menu, select the appropriate role being requested.

- CASE PARTIES AND GALs:** For the case listed, you must have already filed a [Notice of Appearance or an eServices Request Form listing the same email address used for your Portal account](#). If you have not yet done this, you will need to do so before elevated access can be granted. Forms are available at courthouses and at <https://www.vermontjudiciary.org/about-vermont-judiciary/public-portal>.*

- After entering all information, click “submit”. A message will indicate that the request has been submitted.

Your access request has been submitted.

You will be notified of any status change via email.

- When the request has been reviewed and approved by the Portal Administrator you will receive a confirmation email. After approval, you should have elevated access to your case(s) when logged in to your account.

If your access request is denied for any reason, you will receive an email explaining the denial and any corrective steps needed.

Section 4: Records Search

- Use **Smart Search** to find court records or persons associated with a court record.
- Use **Search Hearings** to find court hearings *Note: This function is not available to anonymous public users, but only to registered users logged in with their own accounts.*

“Sounds Like” Check Box – The “Sounds Like” feature allows you to search for proper names, including business names that sound similar. Select the **“Sounds Like”** check box when entering the search information. This is useful if you are unsure of the spelling of the last name; you may enter the first name and as much as you know to be correct of the last name.

The **Wildcard** feature allows you to search for incomplete names in the system. To use the Wildcard feature, type a portion of a name, and then type an asterisk (*) at the end. You must enter at least one character in a first name, three characters in a last name, and four characters in a case number to use the Wildcard feature.

NOTE: You cannot use the Wildcard feature and the “Sounds Like” feature at the same time. **Names are not case sensitive.** You can enter first, middle, and last names in uppercase, lowercase, or a combination of both. The search results are the same.

The wildcard function will not work for partial case numbers.

Smart Search

1. To access **Smart Search**, click the **Smart Search** portlet icon.
2. In **Smart Search**, type a case number or a party name.
 - a. Party names must be in Last, First sequence
 - b. For advanced filtering options, click **Advanced Filtering Options** for more information (see section 5 below).
3. Click **Submit**.
4. A list of results will appear. Click on a case number to view the court record.

Note: if the case for which you are searching does not appear, or if clicking on the case results in an error message, it may not be available for public viewing or you may not have the appropriate level of access. Please contact JUD.helpdesk@vermont.gov for assistance if you believe you are not being granted the appropriate level of access.

Section 5: Advanced Search Options

Smart Search allows users to refine their search parameters through **Advanced Filtering Options**. Providing more information through Advanced Filtering Options will narrow your search results.

Note: not all types of advanced filtering may be available for all courts and all case types.

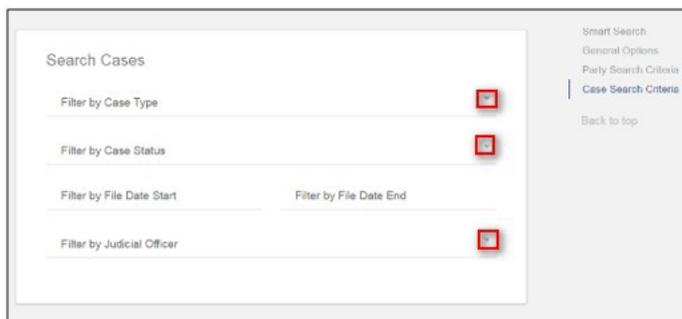

1. Select **Advanced Filtering Options**. The page will expand with additional menus.

A screenshot of the Smart Search form. At the top, it says "Smart Search" with a "*Required" label. Below that is a "Search Criteria" dropdown menu with a question mark icon. A text input field contains the placeholder text "* Enter a Record Number or Name in Last, First Middle Suffix Format". Below the input field is a dropdown menu for "Advanced Filtering Options" with a red arrow pointing to it. To the right of the dropdown is a blue "Submit" button.

2. The **Party Search Criteria** link takes user to the ‘**Additional Party Search Filters**’ window. These filters narrow search results using various personal identifiers.

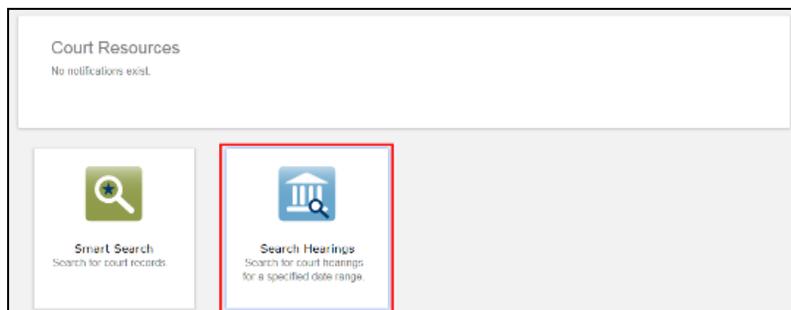

3. The **Case Search Criteria** link takes user to the ‘**Search Cases**’ window; these filters narrow search results using case specific information.

Section 6: Hearings Search *Note: this feature is not available to anonymous public users but only to registered users logged in with their own accounts.*

1. To search for a hearing or groups of hearings, click on **Search Hearings** from the Portal home page.

2. Use the drop-down boxes to set search parameters and to specify a date range to narrow the criteria.

Note: Not all search filters will be available for all courts and case types.

- a. Select the **Location** that you want to search or choose to search all locations.
- b. Select the **Hearing Type** for a specific hearing type or you may search for all hearing types.

Section 7: Make Payments

Online payments can be made through the Public Portal for fines owed in Criminal* and Judicial Bureau cases.

Please note: The Portal does NOT accept other types of payments (e.g., filing fees, miscellaneous service fees or money owed to other parties such as child support or civil judgments). For these types of fees please contact the court clerk's office or refer to instructions elsewhere on www.vermontjudiciary.org.

**Note: Payments may only be made on cases to which the Portal user has access rights. Therefore, to pay a criminal fine remotely online, the user must be logged in elevated access (generally as a case party or attorney) to that case. Alternatively, payments may be made by phone via the Judiciary Info Center, in person at a courthouse, or by mail.*

Steps to make an online payment:

1. Go to the Public Portal at: <https://publicportal.courts.vt.gov/Portal/> and click on "Make Payments".

THIS WEBSITE PROVIDES ELECTRONIC ACCESS TO CASE RECORDS, HEARING CALENDARS AND OTHER INFORMATION. JUDICIAL BUREAU FINES MAY ALSO BE PAID HERE.

PLEASE NOTE: AT THIS TIME ONLY JUDICIAL BUREAU CASE INFORMATION IS AVAILABLE ONLINE. CHECK BACK FOR UPDATES ABOUT ACCESS TO SUPERIOR COURT CASES.

LIMITED ACCESS TO SOME CASE INFORMATION IS AVAILABLE TO ANONYMOUS PUBLIC USERS. ELEVATED ACCESS IS AVAILABLE FOR CASE PARTIES AND ATTORNEYS.

Smart Search

Search Hearings

Make Payments
Make a payment or select payment alternatives for criminal and traffic cases.

2. Select Case Lookup Method

There are several different ways to look up a case to make a payment. If you do not find the cases(s) for which you are looking with one search method, it is recommended that you try other search methods as well.

Select how you want to look up your case:

- **Citation Number and Case Number**– For Judicial Bureau cases, these numbers will be the same (in other words, the citation number of a ticket is also used as the case number) so either search option will work. For Criminal cases, enter the case # exactly as it appears on your court paperwork.
- **Party Name** – Last Name, First Name, and Date of Birth are required
- **Business Name** – The business name must be entered exactly as it appears on the case. If you are unsure of the spelling you can use a wildcard* search using at least three letters of the business name and an asterisk* (the wildcard) to search for all possibilities beyond that asterisk.
- **Driver's License** –Enter the issuing State and Driver's License Number. This search option is only available if the Driver's License number was entered on the case.

3. Select the case on which you want to make a payment

Check the check box for the case on which you want to make a payment. If your search returned multiple results you will need to select just the case(s) on which you want to pay, and click "Continue".

FOR JUDICIAL BUREAU TICKET FINES: SOMETIMES THERE IS A SIGNIFICANT DELAY BETWEEN WHEN A LAW ENFORCEMENT OFFICER ISSUES A TICKET AND WHEN IT GETS ENTERED INTO THE SYSTEM. IF YOU HAVE FOUND YOUR CASE AND HAVE SELECTED IT AS SHOWN ABOVE, **SKIP TO STEP #5**. IF YOU HAVE NOT FOUND IT THROUGH SEARCHING AND STILL WANT TO MAKE A PAYMENT CONTINUE TO STEP 4 BELOW.

4. Prepayment of tickets not yet in the system*: **If you have located the correct ticket(s), this step is unnecessary, and you may SKIP to STEP 5.**
 - A. If you are unable to locate your Judicial Bureau case through any search methods, it is possible that the ticket has not yet been filed by the law enforcement officer and therefore is not yet in the system. If you have your copy of the ticket and would like to submit payment at this time you may still do so by using the link in the message on the search results screen, as shown below:

- ***Note: the prepayment option is only available for Judicial Bureau cases. There can be no prepayment of fines or fees in Superior Court cases.***
